

2015 summer intern

HTC DNA- Curiosity

Are you ready to investigate and discover creativity and innovative ideas?
HTC is looking for inspiration and would like to give your curiosity a purpose.
Our summer intern program is the opportunity for you to explore the workplace and your career!

In the two-month program (7/1-8/31), you will also

- Learn about HTC's history and get familiar with our flagship products
- Co-work with the best talents and peers from all over the world
- Develop your competitiveness and experience in a short period of time

Application Process

► Apply online at 104 website ► HR Screening ► Interview ► Results
